THAI CUISINE

Issan is Thailand's largest region located at the northeast of the country and bordered by the Mekong River. It is Surrounded by a very rich nature and thanks to the tropical clima, amount of sun, a high rate of rainfall, and high humidity the region is plenty of rice yields.

Issan's culture is deeply influenced by their traditions and their passion for their cuisine Thai food is known for its unique combinations of seasoning. Although it is hot and spicy, Thai cooking is carefully balanced to bring out all the different flavors of the country.

At our restaurant we would like you to have a taste of Thai's cuisine in a nice an welcoming environment together with a glass of wine from our cellar or if you prefer you can also experiment and enjoy our natural smoothies.

We are pleased to offer you a large variety of proposals and dishes if you are vegetarian.
